**MICAH
MOORE**

MARVELOUS MICAH

Dear PURELY 18,

Does your power know no limit? Every month I flip through your slick pages and am overwhelmed by the precious young girls that appear on your pages. Not a month goes by where I don't say to myself, "Hot damn! That's the hottest chick I've ever seen!"

But I don't think I'll be saying that any more.

No, I won't. Things will never get better than the March issue and Micah Moore. I

knew from the moment I saw the cover that she was special. As I studied each picture, as her clothes came off revealing more and more of her girlish figure, I was so taken I couldn't even rub one out. I had to leave the room, refocus, and try once again. (Just think what might happen if it was really her!)

Perhaps I am taking things too far, but I am going to make a statement right now that I want to see in print (better for saying, "I told you so!" to my stupid friends!): Micah Moore is going to be the biggest porn star of all-time by the end of 2008. Maybe even before that! Please share any information you might have with this charming young gal.

**Evan
Oakridge, TN**

Dear Evan,

Micah would have been as good a guess as any for superstardom, but the little cutie has since given her notice to the industry and

returned to her native Oregon, where she is going to college. Her heritage is German/Native American, and the 5' 8" sweetie measures in at a cool 34A-24-34. Now let's all cross our fingers that she returns!

SUCCULENT CEARA

Dear PURELY 18,

There was a time when I was a younger fellow that I wouldn't have been shy putting the make on a sweetheart like Ceara. Her ample bosom and what my buddies and I used to call "blowjob lips." Of course, this was before a fella could pop into the neighborhood market and come out with magazines packed with young lovelies. Nope, we didn't have that luxury when we were growing up.

Times have changed, but girls (thankfully!) have not. Ceara is the perfect example of this. I remember an era when young ladies frequently got naked in kitchens. Also, like Ceara, they had what we called "pubic hair."

CROWING FOR ANGELINA

Dear PURELY 18,

I know Angelina Crow! Well, I don't know her know her, but I know her! I went to school in Hungary last year and she's Hungarian and I used to see her sometimes when I went to my favorite coffee shop. She is so hot. The pictures you guys took are great (my word, I always wondered if she shaved her snatch or not—now I know she does!), but in person she's even prettier. She's really tiny, like probably just a little over five feet and has these really sexy brown eyes. The craziest thing is I didn't

ANGELINA

I know the kids today find that horribly old-fashioned, but we didn't know any different and it knocked our socks off.

Ceara, such a lovely and traditional girl, the things I would have done to you back in my day! I know neither you nor your mother were born yet, but back when I was your age I could really knock it out of the park with a girl. If I could still do it today, I'd give everything I have for a couple hours with this pretty miss.

**Fred
Newburyport, MA**

Dear Fred,

Isn't it great to live in a day and age when a man like yourself can get 100+ pages packed with outstanding teen girls for just a few bucks? When we can't get these girls to ourselves for a couple hours, at least we can get a piece of them—and a pretty piece at that! Keep on reading!

KINKY KRISTA

Dear PURELY 18,

As a feminist I was outraged to see your layout of Krista. No, it's not the nudity that offended me; I said I was a feminist, not a prude. In fact,

my complaint is that she didn't get naked fast enough.

Fine, we have to wear clothes in public, but in private we don't have to follow the white man's rules. We girls don't run around wearing clothes all day when we're at home. I know, because I am a girl. I'm even naked right now!

I'm not even complaining about the clothes except on principle. I liked her light-blue tank top and the jean skirt. I'm not crazy about purple as a color, but her panties looked cute covering up her ladyparts. But bless her, bless Krista for playing her dildo games for all the world to see. Show them, Krista, we're doing it for ourselves now. We hardly need men at all!

**Hillary
Devils Lake, ND**

Dear Hillary,

Like you, we are all for female nudity. Krista actually greeted us with clothes on and, while we didn't question it at the time, we will from now on. You've got our curiosity piqued since you wrote the letter naked and everyone here

even know she was a porn star until I received your March issue in the mail. And I thought she was just like this cute and innocent local girl! She sure showed me!

**Scott
Mayfield, MI**

Dear Scott,

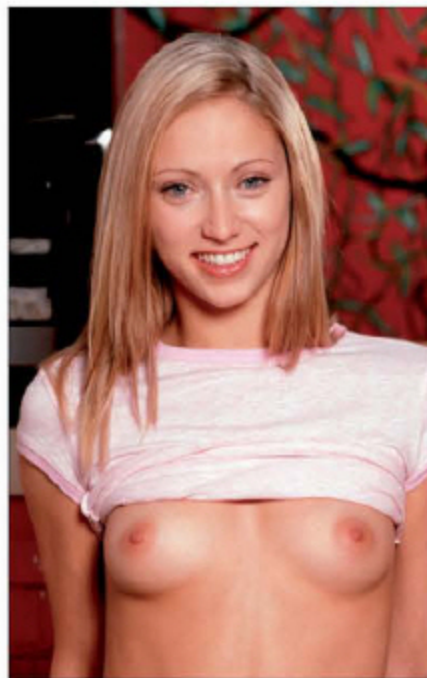

What a great chance encounter! She is a beauty on paper, so we can only imagine how great she looks in real life. Thanks for the tip—next time we go to Hungary we're going to hit that coffee shop!

Adel

BATHROOM BRAT

Adorable Adel loves to have her “alone” time in the bathroom. Hell, it’s the only place she can get any privacy. If she’s giving herself an orgasm, no one can hear her wails because she can run the water from the faucet or flush the toilet. As this pictorial unfolds, Adel adorns herself with an invaluable bathroom product. Adel, darling, you are royalty—everything from “Teen Queen” to “Toilet Paper Princess”!

What goes through the mind of a young girl is fascinating fodder. Each month, *Purely 18* gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Nevaeh, a curious 18-year-old, as she ponders her world of . . . what else . . . SEX!

A Young Girl's Diary

very same girl!

Well I'm not about to go have sex with that tuna boat Monique, but I can do better than that. Brian's ogre friends are always giving me the fisheyes, so I think maybe I'll go suck one of them off just so Brian can hear all about how great it was and wonder why I never put his stupid dick in my mouth. That'll show him!

Dear Diary,

I went to that big party out at the lake this weekend and you're not going to believe what happened. Of course Brian was there with all his friends and that trampoline Monique was totally being slutty and

give a BJ to one of Brian's friends? Well, it didn't quite happen like that. Instead I gave head to three of his friends!

You see, I was standing by the keg with Eve and we were trying to decide which guy would be best to suck off and finally I picked Mark, that weirdo artistic guy. It took a while, but finally I just went up to him, grabbed his hand and led him into the woods. He goes, "Where are we going?" and I didn't say anything. Once we got behind a big tree I just unzipped his pants and started sucking. Well, he could tell it was my first time and he told me to just listen to him and I'd know how to do it real good the next time.

"I really went wild and was getting most of his dick in my mouth and jerking him off really fast when he holds my head still and out plops about a quart of cum!"

probably fucked Brian again and I don't even care. I've found something better!

That's right, I said something, not someone. Remember that plan I had to

He brushed my hair back away from my face and told me to look up at him while I sucked him off. It was kind of difficult, but he was patient. Then he took my hands

Dear Diary,

This has been like the worst year ever! I totally remember high school totally sucked and everyone was like, just wait until you're a senior and then it'll be fun. Yeah? I'm a senior now, so where's the fun?

Before you go thinking I'm just being a total drama queen, wait until you hear what happened now. Remember Brian? Duh, he's like been my boyfriend all year. Well now he's my ex-boyfriend forever because he up and diddled that slut Monique. Like I wouldn't find out! She's a big loudmouth and I hear her panties smell like fish guts.

So I was telling Eve all about this at lunch and she said I'll never get over it until I get my revenge. I was like, "Should I go over and just slap that dumb tramp right now?" She said that I would just get in trouble and then get madder. She said she remembered overhearing her big sister talking about the revenge she got when a guy cheated on her: She actually went and had sex with the

and put one of them on his balls and then he taught me how to stroke his cock while I sucked it. It was kind of tricky at first, but I caught on quickly. Soon everything got going really good I guess because his eyes rolled back into his head and his body jerked a few times and my mouth suddenly was practically full of his jism!

To make a long story short, I was pretty excited about my success and proceeded to try it twice more. First was Eric, that new guy from Washington. I told him I wanted to welcome him to the school and afterwards he said he thinks he'll be pretty happy here. Then he asked if I'd suck off Cam, too, so I was like okay. I mean, the guys seem to like it so much, and I like it, too, so why not?

Dear Diary,

Eve and I were so hanging out at Sal's Pizza tonight when who should walk in but the hottest guy in the whole school, Dino. When he walked by, Eve elbowed me and whispered that I should go suck his dick. Well, Eve doesn't whisper very well because he totally heard her!

So he turns around and stands at our table and we just sort of sat there giggling all nervous. He's like, "Did I just hear what I

thought I heard?" Eve tried to act all tough and goes, "What'd you think you heard?" He's all, "I thought I heard you tell your friend that she should suck my dick." Eve was trying so hard to keep a straight face and said that she didn't know what she'd said, but if he wanted his dick sucked he was in the right place. I couldn't believe it!

Dino may be handsome, but that doesn't mean he's dumb. He looked around the pizzeria and then he looked at Eve and then at me and then at Eve again. "Wanna take this outside?" he asked. So Eve starts pushing me out of the booth and I'm like, "I'll go, but you have to come too." Dino said, "Yeah, you can't just go around pimping your friend out. You have to come."

So we all went outside to Dino's SUV and hopped in the back seat. He was in the middle and he unbuttoned his pants and out popped his enormous dick! I'm not gonna lie, it must be a foot long. Because I have more experience, I went first. I could only get like a quarter of it in my mouth, but it was fun trying to see how much I could fit. And he tasted really good, like his

cock had been dipped in vanilla frosting.

I finally let Eve try, too. I held her hair back just like Mark had done for me and with my other hand I jerked Dino off while she stuffed that big rod into her mouth. "Just go slow," I encouraged her. "Don't forget to pop the head out of your mouth when you come off it."

When it was my turn again, Eve goes, "Man, I didn't know sucking cock was so much fun—or so tasty!" This time I really went wild and was getting most of his dick in my mouth and jerking him off really fast when he goes, "All right, hold still," and he holds my head still and out plops about a quart of cum. Eve didn't get any so she jumped over and started kissing me and licked the big splurt off my cheek.

While Dino was pulling his pants back up, who should walk by but that dumb whore Monique. She saw his truck and walked right over and when she saw us, she was all, "What's the matter, Dino, didn't get enough at my place earlier?" He just laughed and told us he'd see us later. As if I'd suck the cock of any guy who'd put his pickle in that Molly Rottencrotch!

FUCK dolls #9

Story By Acme Andersson

JENNY HENDRIX

HOMETOWN: TAMPA

FAVE PORN STAR: JESSE JANE

FAVE COLOR: PINK

BOY: MR. PETE

These are glorious days in Porn Valley thanks to girls like Miss Hendrix. She's young and gorgeous and hot damn if she doesn't suck and fuck like an absolute dream. Pete tried to stay focused long enough to do a short interview before their scene, but mostly it turned into him telling her how hot she is. He makes a good point.

Pete dressed her up in full fetish wear, which Jenny tells him makes her feel like a real fuck doll. Pete has no choice but to undress her slowly, despite her plea of pussy wetness. He finally gets her out of the thigh-high boots and it's pussy time! He licks and spits and sucks and then turns her onto her back, spreads her legs wide, and lands his flesh-stick square in her snatch. Jenny looks him deep in the eye, her brow furrowed earnestly as the only words she can seem to get out are "Oh my god!" and "Holy fuck!"

He seamlessly twists her onto her stomach, thus plowing her doggie. She clutches onto the couch cushions as she turns to look at him. Pete grabs on to her ample ass and stabilizes himself for full penetration, pressing himself deeply into her drenched gash. For a few minutes one might get the idea that Pete is fucking Jenny, but time shows that it's actually Jenny who's running this show.

After about half an hour Jenny finally gets on top and takes a ride and the energy and passion she still has is unbelievable. Before Pete blew his wad into one of her stockings, he held it to his mouth and smelled it. After it was full of his love juice he put it into her mouth. She pulled it out and said, "It smells so fucking good, like dirty fucking feet!"

ASIA

HOMETOWN: PHILLY

FAVE COLOR: BLUE

CELEB CRUSH: PUFFY

BOYS: D SNOOP, JOHN STRONG

When we find Asia, she is sitting on a couch between D Snoop and John Strong, a hand

THE COVER SAYS IT ALL. Jenny Hendrix, her fine booty high in the air, seductive look on her pretty face as she peers at you. Come hither, she purrs, daring you to step up and fuck her in her tight teen twat.

Jenny is the lure, but there's more inside. Asia, Lexi Belle, Brandi Edwards, Tatiana Kush—each of these girls earns a special place in the heart of the teen-loving man. Asia is the sensual Asian. Lexi is the eager girl next door. Brandi is that hot girl that you never thought would give you a second look. Tatiana is that slutty girl from high school that all your friends fucked and you still wanted to nail.

We could sit around all day talking about the virtues of this girl or that girl, but why dawdle? Bring on the fuck dolls!

jerking off each cock. She leads them into the other room that way, too, stroking their meat as they make their way down the hall.

She goes down on John first, pushing her ass high in the air, allowing Snoop to check out her lower holes. Then she sits back on the couch and squeezes a glass dildo into her ass, a little warmup, she says. Any girl who thinks she can sit around plugging her holes while a couple of eager porn guys are waiting to fuck her is crazy! The dildo is tossed aside and Strong gives her pussy a test drive. Then Snoop takes her for a spin while she sucks John off. From that point on it's a two-for-one sale, and Asia barely gets a breather as the barrage of cock takes over.

John seemed to be the anal-focused one, stuffing rod in her rear just about every chance he gets. After a long time dinging her derriere he finally relents and lets Snoop nail her for a few minutes. When she finally asks for some cum, Strong goes first again and gives her an incredible blast, a sort of one man bukkake. Snoop came in and tried to find a spot that wasn't already doused but had to settle for dropping his load on top of John's. Not that Asia minded. She got what she came for.

From every position,
Jenny Hendrix is the
perfect Fuck Doll!

Exotic Asia works the candle at both ends for John Strong and D Snoop!

LEXI BELLE

HOMETOWN: S. CALIFORNIA

FAVE COLOR: GREEN

CELEB CRUSH: ADAM SANDLER

BOYS: MR. PETE, JOHN STRONG

There are few young performers as exciting as Lexi. With her updated '60s sorority girl hairstyle, big, brown eyes, and a perfectly sculpted teen body that has porn fans howling and male performers fighting over who gets to nail her next. That being said, is it any surprise that it's Mr. Pete, the director, who gets first romp with the randy girl? No, it is not.

Before Pete can get his pants off, she is already all over his dick, stroking it and sucking it hungrily. He bends her over, that sweet teen ass pointed straight at the camera as he slowly sinks into her pink. She closes her eyes and begins moaning loudly. Soon she is pushing back toward Pete, allowing his cock to go deeper. They pick up speed

and then Pete picks her up, cock still deep inside her, and pulls her on top of him for a reverse cowgirl.

She rides him hard, her beautiful tits showing off their elasticity. She twists and turns (seriously, this has to be seen to be believed!) and then suddenly she demands a second dick. What a pretty girl wants, a pretty girl gets, and John Strong, pecker at the ready, enters the frame. Strong nails her for a while, finishes her off, and then the guys take turns blasting loads onto her tongue. She swallows, then licks the lens in case there are any doubters. Aw, who wouldn't believe a pretty young thing like Lexi?!

BRANDI EDWARDS

HOMETOWN: TUCSON

FAVE COLOR: RED

CELEBRITY CRUSH: JOHNNY DEPP

BOY: MR. PETE

If there is one glamour girl in Fuck Dolls #9, it is Brandi. She carries herself in a way that is so sultry, one wonders where she picked it up. Sometimes these things just happen. Naturally.

Well, maybe not completely natural, as her robo-hooters are obviously not the original models, but don't think that's going to get in the way of Mr. Pete's enjoyment of this young doll. He plays around with her ass

and puss, licking and sucking before doing any heavy lifting with his dick. That means, when it is time to take a run at her hole she's nice and wet.

While Brandi seems a tad aloof at first, that all ends when she gets cock. Her eyes come alive and her blowjob lips curl with desire. Pete plugs away at her shaved-bare snatch, and Brandi grunts, squeals, and moans as he picks up steam. He puts her on top and we see just how slim-hipped this hottie is, her small ass going up and down as he ramrods her from below.

She cums a couple times while riding his beefstick, then it's Pete's turn to splatter a load. Brandi gets on her knees, purses her lips, and flutters her eyelashes as he shoots his white goop all over her pretty face. She thanks him by cleaning off his cock with her mouth. Such a nice girl!

TATIANA KUSH

HOMETOWN: FLORIDA

FAVE COLOR: GREEN

CELEBRITY CRUSH: BRAD PITT

BOYS: JOHN STRONG, MR. PETE

Cute, little Tatiana is 18 and fresh from Florida, just the way John Strong likes them. Well, we know he likes them fresh—the Florida thing is really just an added bonus.

There's not a lot of small talk between

the two, just a lot of clothes flying in every direction. Her rack is revealed—healthy, young tits for a young girl—and John's cock makes an appearance. Then Mr. Pete suddenly appears, already naked and ready. What's a teenage girl to do? You guessed it! She sucks them both. And that's not all.

She gets on Pete first, riding high and hard while effortlessly chomping on John's choad. Then they turnstile her, with John pulling in behind her. Things heat up quickly and John pumps vigorously while Pete jerks off into her mouth. They pause for a moment to switch positions, this time putting together a standing doggie that has Tatiana bending deep to suck on John's rod while he takes a rest.

New pussy explored, Tatiana eagerly gives up her ass to the boys. John goes first, throwing it to her as she cranes her head to blow Pete. In an effort to take things even further, they double up on her, Strong filling her ass and Pete mastering her twat. The Florida teen passes the test and finally the guys let her go with a double cumshot into the mouth.
